

The Third Coast Retina Club will hold its seventh annual meeting on April 13, 2019, at the Fairmont Hotel in downtown Austin, Texas. The retina disease case presentations will discuss new therapies and current ongoing national studies regarding the treatment of retinal disease.

We invite you to participate and present a case or topic that you feel would stimulate discussion. This case might be a clinical "zebra," a tough medical or surgical complication, a clinical unknown, or a routine case with a twist. We can learn from just about any case... we want you to share yours.

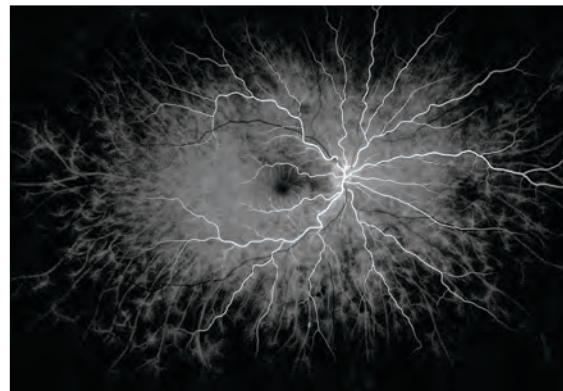

CME

The TMA designates this educational activity for a maximum of 8 AMA/PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Texas Medical Associates and Third Coast Retina Club. The Texas Medical Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

OBJECTIVE

To engage in lively discussion with colleagues on the current diagnostic and therapeutic management of vitreoretinal diseases and evolving practice management issues.
